Spring Family Camp 2010

This spring Blue Lake invites you to come rest, play, and grow as a family. Experience a retreat specifically designed with your family in mind. Schedules and distractions can make it difficult to enjoy life as a family. Spring Family Camp 2010 gives your family the space to enjoy Blue Lake in a number of different ways, but most importantly however best suits your family. With an open schedule and a variety of activities to choose from, your family has the freedom to create a weekend that represents your interests.

In an effort to make this weekend affordable to all families we have given you flexible housing options and some special family rates. For this event, your second night at Blue Lake is offered to you at a discounted rate and we now offer a child's plate for those children ages 0-10 years for a discounted rate per meal.

Housing Information:

There are two room types available for this weekend. You can decide which room and how many rooms best suits your family. You may need beds for all of your family members, or you may have children that can sleep on sleeping bags on the floor or in a crib. There is no extra charge for having more people in a room than there are beds available. We want your family to be comfortable and to have several options available for keeping costs within your means. Blue Lake also has a small number of RV spots available (please call for pricing and availability).

The two types of rooms available to families are in Oakwood Lodge and include:

Linwood Rooms: These rooms are carpeted and have two twin beds and a private bathroom.

Dorm Rooms: These rooms have tile floors and have three twin beds and a sink, with community bathrooms in the vicinity.

Pricing information can be found on the registration form for this event. Registration forms for the weekend can be found on our website (www.bluelakecamp.com). If at any time you have any questions please feel free to contact us at your convenience. We look forward to serving your family this spring!
